www.stampingandblogging.com

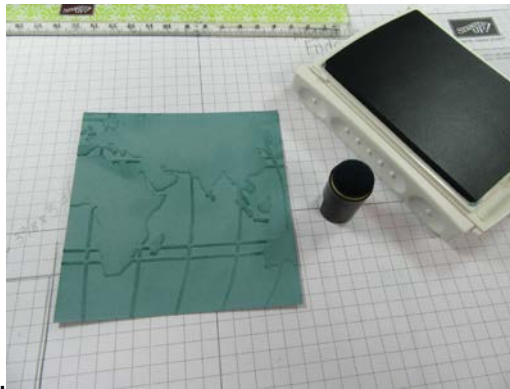

1. 1 – Use the Tree Builder punch and a scrap of cardstock to punch out the “tree top”.

2 – On the 2-3/4 x 4 piece of Whisper White, use the punch out as your mask, and sponge around it with Soft Sky Ink. Placing the sponge on the cloud and then pulling out across the card stock. Move the “cloud” around the card stock and repeat until the “sky is full of clouds”.

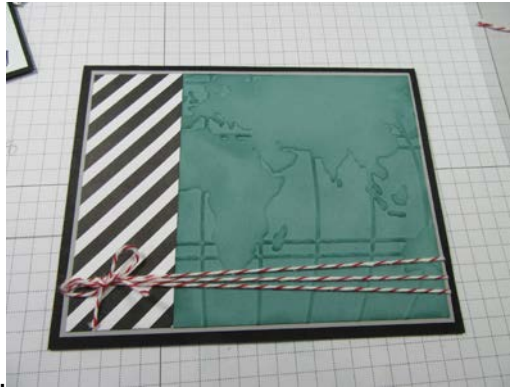

3. 3 – Lightly sponge around the edges of the art piece.
4. 4 – Use the Real Red ink to stamp the heart smoke in the sky over on the left side.

5. 5 – Use the StazOn Black ink to stamp the sentiment in the bottom right corner.
6. 6 – Emboss the piece of Lost Lagoon with the Big Shot and World Traveler embossing folder and then lightly sponge the raised areas with the Lost Lagoon Ink and a sponge dauber.

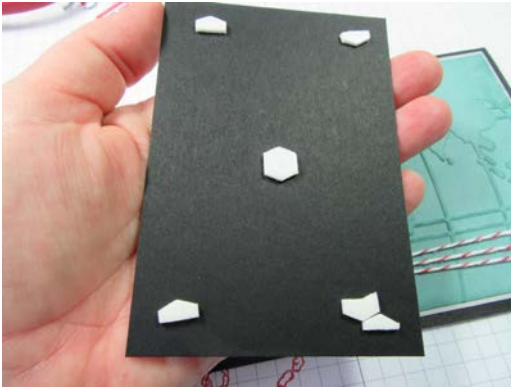

7.

8.

7 – Use Fast fuse to attach the embossed Lost Lagoon piece and the designer paper piece to the Smoky Slate mat. Wrap the Baker's Twine around the piece three times before cutting and tying a bow on the left side.

8 – Use Fast Fuse to attach the art piece to the card base.

9.

10.

9 – Use Fast Fuse to attach the cloud piece to the mat, add Dimensionals to the back before attaching it to the center front of the card.

10 – Stamp and cut out the plane; add Dimensionals to the back and attach it in the top right corner.

19 – Clean stamps with the Stampin Scrub and Mist.
