www.stampinwithsandi.com

1. 2.

1 – Center the Die near the top of the card front and run through the Big Shot.

2 – Place the card stock on top of the Big Shot Brush Mat, and gentle roll the brush over the die to remove all the little die cut pieces.

• **TIP – Big Shot Sandwich for Thinlits** – from the bottom up:

- Magnetic Platform
- Precision Base Plate – black side facing up
- card stock
- Thinlit, cutting side facing down
- Cutting Pad

3. 4.

3 – The card front will have a medallion Die cut in it.

4 – Rub the card front all over with the Embossing Buddy to remove anything sticky.

5.

6.

5 – Using the VersaMark ink, stamp the little star image all over the card front, cover with gold embossing powder and then shake off the excess.

6 – Heat set the embossing powder with your heat tool.

7.

8.

7 – Add one of the long stickers to the bottom of the card front, trimming off the excess.

8 – Add the 4-petal medallion sticker to the center of the 3 x 3 piece of Bermuda Bay card stock.

9.

10.

9 – Place the coordinating framelit around the sticker and run it through the Big Shot.

TIP – Big Shot Sandwich for Framelits or Edgelits, – from the bottom up:

- multi-purpose platform – both tabs or Magnetic Platform
- cutting pad
- card stock with framelit – cutting side down
- cutting pad

10 – Find the Layering Circle Framelit that fits inside the medallion cut out on the card front and die cut it from the piece of Gold Foil sheet.

11.

12.

11 – Add some multipurpose glue to the center of the card front medallion.

12 – Attach the gold foil circle to the center of the medallion.

13.

14.

13 – Add more multipurpose glue to the back of the card front.

14 – Attach the card front to the card base.

15.

16.

15 – Cut a 22” piece of ribbon to go with the gold tassel.

16 – Wrap the ribbon around the top of the card front twice, tie half a knot, add the tassel and then tie the second half of the knot. Trim the ribbon ends.

17.

18.

17 – Add Dimensionals to the back of the cut out medallion.

TIP – Cut the Dimensionals in half, they work the same and go twice as far.

18 – Attach the medallion to the center of the gold foil circle on the card front.

19.

20.

19 – Use the VersaMark Ink and Gold Embossing Powder to emboss the sentiment on the small piece of Pool Party cardstock.

20 – Use the 1” Circle Punch to punch out the sentiment.

21.

21 – Use a Dimensional to attach the sentiment to the front of the card.

22 – Clean the stamp with the Stampin Scrub and Mist.

I hope you enjoyed creating this card, try it in a few different colors.
