4-1/4 x 11, score and fold at 2-3/4 and 5-1/2 – card base  
4 x 5-1/4 – mat  
3-7/8 x 5-1/8 – card front  
2-5/8 x 3-5/8 – mat for art piece  
2-1/2 x 3-1/2 – art piece  
1 x 2 – sentiment

NOTE for the art piece, I like to use a bigger piece, 3 x 4, emboss the image and then cut it down to 2-1/2 x 3-1/2 – it's easier to center the image.

**DIRECTIONS:**

1. Heat emboss the large floral image onto the small piece of Old Olive, and the smaller floral image across the bottom of the Whisper White card front.
2. Use the brayer and the Old Olive Ink to ink up the card front, starting at the bottom where the embossing is, and braying up to the top without reinking.  
TIP – by always starting at the bottom with the brayer, you will achieve the Ombre effect.

3. Once you have the desired amount of ink on the card front, use a dry paper towel and rub over the embossing to remove any ink sitting on top.
4. Use Snail Adhesive to attach the card front to the Old Olive Mat and then to the card base.
5. Attach the art piece to the Whisper White mat.
6. Attach a piece of ribbon around the bottom of the art piece.
7. Stamp the sentiment on the Crumb Cake Piece and use the Stampin Tripper to trim and scissors to flag tail the right side.
8. Attach the art piece to the card base with Dimensionals to pop it up slightly.
9. Attach the sentiment with Dimensionals on the left side over the art piece over the ribbon.
10. Clean Stamps with the stampin Scrub and Mist.
