CARD STOCK AND DESIGNER PAPER:

Blushing Bride #131198

Basic Black #121045

4-1/4 x 11, score and fold at 5-1/2 – card base

3-7/8 x 5-1/8 – Card Front (2)

4 x 5-1/4 – mat behind card front

2 x 3-1/2 – sentiment

DIRECTIONS:

1. Score and fold the card base.
2. Place the half circle die at the top of the card front and die cut being careful to save all the pieces.
3. Use the long skinny window panel die to cut down the left side, leaving about 1/8 between the previous die cut above. Repeat on the right – again, saving all the pieces.

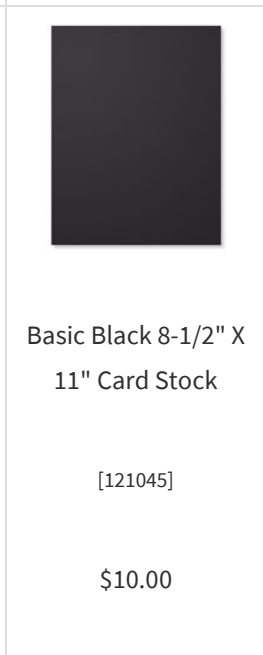

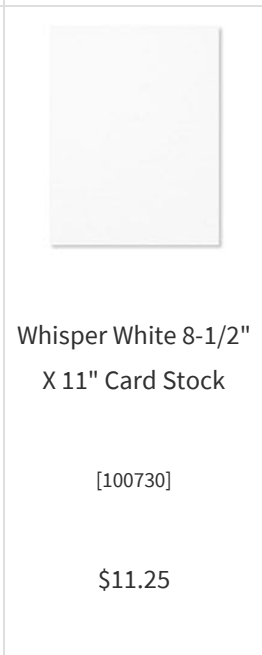

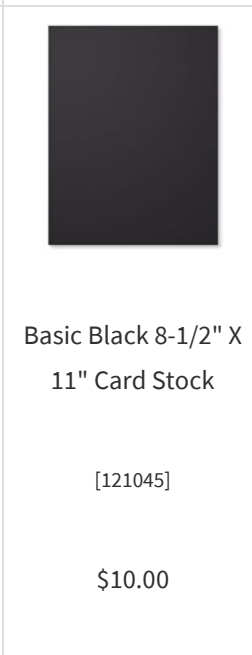

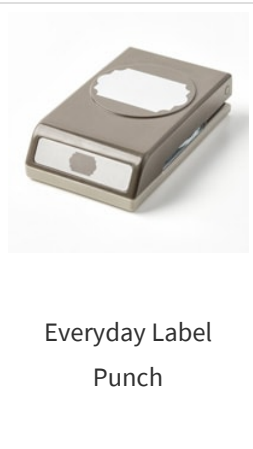

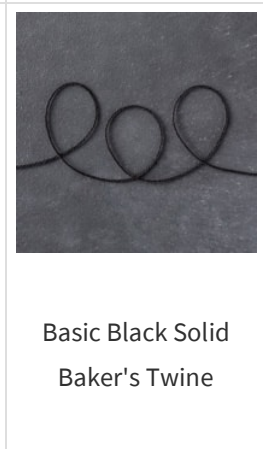

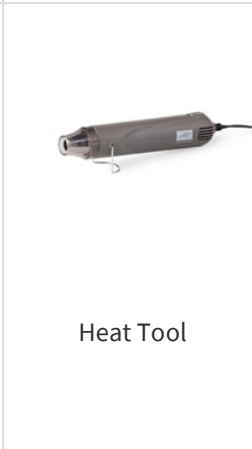

4. Use Snail Adhesive to attach the card front, to the second piece of cardstock – thus creating a base under the die cut.
5. Use the Multipurpose glue to glue all the pieces back into the window.
6. Use Snail Adhesive to attach the card front to the Basic Black Mat and then Dimensionals to attach it to the card base.
7. Wrap Black Solid Baker's twine around the card 3 times. Tie a knot in the center and trim the ends close (this will be hidden by the sentiment panel).
8. Stamp the butterflies with Memento Tuxedo Black into onto the Whisper White card stock and colour with the Stampin Blends
9. Use the coordinating framelit to cut out the butterflies.
10. Stamp the sentiment in VersaMark ink onto the Basic Black piece, cover with White Embossing Powder, shake off the excess and heat set.
11. Trim to 1-1/8 wide and gently insert each end into the punch from the center.
12. Use Dimensionals to attach the sentiment at the bottom of the card front over the Baker's Twine.
13. Add a medium Clear Rhinestone to each end of the sentiment.
14. Use Glue Dots to attach the butterflies.
15. Clean the stamp with the Stampin Scrub and Mist, or the new Shammy
