**CARD STOCK AND DESIGNER PAPER:**

Blueberry Bushel #146968  
Smoky Slate #131202  
Whisper White #100730

5 -1/2 x 8-1/2 score and fold at 4-1/4 – card base.  
2-5/8 x 4-1/8 – mat for art piece  
2-1/2 x 4 – art piece  
4 -1/4 x 5-1/2 – stamp and die cut tree  
2 x 5 – front snowdrift  
2-1/2 x 5 – back snow drift  
2-1/2 x 4 – die cut trees.

Vellum Cardstock #101856

**DIRECTIONS:**

1. Stamp the trees in VersaMark Ink across the front of the art piece, cover with White (or clear) Embossing Powder, shake off the excess and heat set.

2. Use a sponge dauber and the Balmy Blue inkpad to swirl the ink around the art piece.  
TIP – This is the embossed resist technique. The embossed tree images will “resist” the ink, and will pop through as white as the blue background is created.
3. Use a Kleenex or paper towel to wipe any excess ink off the embossed trees.
4. Use Snail Adhesive to attach the art piece to the Smoky Slate mat.
5. Place the card front into the Embossing Folder and run it through the Big Shot.
6. Use Tear & Tape to attach the art piece to the center of the card base.
7. Using the Stamparatus, first stamp the tree in Granny Apple Green. Flip the arm back open and use a sponge dauber to add a bit of the Call Me Clover ink down one side of the tree stamp.
8. Flip the arm closed again to stamp the second layer of ink to your tree to create a shadow effect.
9. Use the coordinating die for the tree to cut it out and then cut two of the other trees out of the piece of Vellum Cardstock.
10. Use the long angled die to cut the two snowdrifts from the remaining two pieces of Whisper White.
11. Use the stamp positioner and the Balmy Blue ink to stamp the sentiment on the right side of the front snowdrift.
12. Attach the back snowdrift to the card front with Glue Dots.
13. Attach the front snowdrift to the card with Dimensionals.
14. Use small drops of multipurpose glue to slide the two vellum trees in on the right, under the first snowdrift (you may have to lift the drift as I did in the video).
15. Use Dimensionals again to attach your green tree over the vellum trees.
16. Clean stamps with the Stampin Scrub and Mist or the Simply Shammy

Wishing you Happy Stamping
