DIRECTIONS:

1. Use the Washi Tape to tape the watercolour paper to the thick cardboard.
2. Squeeze a couple of drops of the two reinkers into the paint wells, add a couple of drops of water from the Aqua Painter.
3. Dampen the entire surface of the watercolor paper with the Aqua painter.
4. Use two additional Aqua Painters or paintbrushes to drop reinker onto the wet watercolour paper blending it slightly until the entire surface is covered.
5. While the paper is still wet, use another Aqua Painter to add drops of the Frost White Shimmer Paint, let it blend in with the ink.

6. Dab up any large puddles with a piece of paper towel and let the paper dry.
7. Use the Big Shot and the Large and medium snowflake dies to cut out two snowflakes.
8. Lay the larger snowflake on the card front to help position where to stamp the sentiment.
9. Stamp the smaller snowflakes in the top left and bottom right corners.
10. Attach the large snowflake with 3-4 glue dots.
11. Use a Mini Dimensional to attach the smaller snowflake to the center of the large one.
TIP – lay the green side of the small snowflake, over the blue side of the large snowflake so it stands out.
12. Add a Clear Faceted Gem to the center of the small snowflake.
13. Clean stamps with the Stampin Scrub and Mist or the Simply Shabby
