DIRECTIONS:

1. Score and fold the card base.
2. Emboss the bottom front panel of Crumb Cake with the Corrugated Folder, trim and attach to the bottom of the Whisper White panel with Tear & Tape.
3. Punch the bulbs and die cut the pine branches and gold leaf branches.
4. Use the White Gel Pen to add markings on the bulbs

5. Do a dry fit to the top of the card front to determine where to add your sponging.
6. Remove all the pieces and use the Real Red Ink and a Stampin Sponge to add the “light” sponging behind where the bulbs will be attached.
7. Attach the striped Burlap Trim to the bottom of the card front before attaching it to the mat and then the card base.
8. Use the Multipurpose glue to attach the pine branches
9. Attach the gold ends to the punched out bulbs and then attach them to the card with Dimensionals to pop them up a bit.
10. Stamp the sentiment in Real Red onto the remaining piece of Whisper White. Trim around it and then attach it with Dimensionals over the pine branches and ribbon on the bottom portion of the card.
11. Fold a piece of Linen Thread in half and make a bow. Trim and attach to the card with a glue dot.
12. Clean stamps with the Stampin Scrub and Mist or the Simply Shammy

The decorations for the gift box are the same as the card. For the sides, cut strip of Crumb Cake 1 inch wide, run them through the corrugated embossing folder, trim to fit and attach with the Tear and Tape.
