DIRECTIONS:

1. Score and fold the card base.
2. Place the mat inside the embossing folder and run it through the Big Shot.
3. Use Tear & Tap to attach the mat to the card base.
4. Use the Mint Macaron inkpad to stamp the smaller snowflakes across the 3-1/2 x 4-1/2 piece of Mint Macaron and then use the Stampin Trimmer to cut the piece into 1-1/2 inch sections to create three panels. – You can watch my original [video here](#).
5. Use Tear & Tape to attach the three panels to the card front.
6. Die cut the snowflake flourish from the piece of Silver Glimmer Paper and the medium Snowflake from the Whisper White Square.

7. Stamp the sentiment on the right side of the sentiment piece before embossing it with the Softly Falling Embossing Folder.
8. Use Tear & Tape to attach the sentiment to the bottom of the card front.
TIP – Use Tear & Tape when attaching pieces to a lumpy surface, as it's stronger than Snail Adhesive.
9. Use multipurpose glue to attach the silver glimmer snowflake flourish and a glue dot to attach the snowflake.
10. Use a glue dot to attach the Snowflake Trinket to the center of the snowflake.
11. Clean stamps with the Stampin Scrub and Mist or the Simply Shabby
