NOTE – sometimes the solid image stamps need to be stamped a few times for perfect coverage. Using the Stamparatus will allow you to do this.
3. Trim the buffalo check to 3-1/2 x 4-3/4 and attach to the Real Red mat before attaching to the Thick Whisper White card base.
4. Die cut the large Snowflake and then attach it to the center of the card with 2-3 glue dots.
5. Die cut the word “merry” from the Real Red piece and then use the multipurpose glue to attach it to the card on the top section of the snowflake.
6. White Heat emboss the word “Christmas” into the small piece of basic black and use glue dots to attach it to the card under the “merry”.
7. Die cut the gold branch and use a bit of multipurpose glue to attach it just under the “Christmas”.
8. Embellish with a few Rhinestones.
9. Clean stamps with the Stampin Scrub and Mist or the Simply Shabby

Here is another version of the card, using the same colours just changed around. The sentiment is from the November Paper Pumpkin kit.
