CARD STOCK AND DESIGNER PAPER:

5-1/2 x 8-1/2 – score and fold at 4-1/4 – card base
5-1/2 x 4-1/4 – card front – sponge and then die cut
2-1/2 x 4 – stamp colour and cut out snowmen
4-1/2 x 2 – die cut snow behind snowmen

DIRECTIONS:

1. I started with a piece of Neenah Solar White 80# cardstock. I sponged on Distress Oxide Ink in Peacock Feathers, Cracked Pistachio and Mermaid Lagoon.
2. When I was happy with that, I white heat embossed the sentiment and the snowflakes.
3. Next, I splattered some water and white paint all over and set the piece aside to dry.

4. Once dry, I cut it out with the Wonky Rectangles Dies (the largest one) and cut a scrap of white cardstock with the Stitched Slopes and Hills Dies to create the snow behind the little snowmen. I mounted both pieces to my Simon Says Stamp Audrey Blue card base A2 size with foam tape.
5. I stamped the snowmen on another piece of Neenah Solar White 80# cardstock and stamped the snowmen twice in Hero Arts Intense Black Ink.
6. Then I used my copics to colour the little fellows:

7. I kept the colouring quite simple and added a few highlights with my White Ranger Gel Pen before attaching the red one with glue dots and the green one with foam tape.
8. Once attached, I used the gray copic markers to add a bit of shadow under them
9. Finally, I added a few different sized white sequins from the Simon Says Stamp Girl's Best Friend Confetti.
10. Clean stamps with the shammy

Happy Stamping
