Simon Says Stamp - Black cardstock

DIRECTIONS:

1. Score the card base at 5-1/2 and set aside.
2. Use the Ranger blending tools to add the Distress Oxide inks to the Neenah Solar White cardstock until the entire art piece is covered. Die cut the bunny in the center top portion – leaving enough room for the sentiments underneath.

3. Splatter some water on the ink and then pat it dry with a paper towel – to give the distressed look.
4. Use the Scor Tape to attach to the second piece of white cardstock and then to the slightly larger black mat
5. Attach to the card base.
6. Cut the foam tape into small pieces to hide on the back of the cut out bunny and then attach him over the die cut one on the card front, so all the little decorative elements line up.
7. White heat emboss the sentiment onto the scrap of black and attach with Foam Tape.
8. Die cut the word “smile” and attach it with the Tombo Mono White Glue.
9. Use the white glue to attach a sprinkling of the Pretty Pink Posh – party Mix embellishments.
10. Clean Stamps with the Lawn Fawn Stamp Shabby
