DIRECTIONS:

1. Use the Misty to stamp the image in Versamark ink onto the watercolour paper.
2. Cover with black embossing powder, shake off the excess and heat set.
3. Use the Gansai Tambi watercolor paint to paint the image and add highlights.
4. Use the Ranger mini Blending tool with the Distress Oxide Ink Peacock Feathers and sponge the left side of the art piece.
5. Make a shimmer mist with the Perfect Pearls and Water inside the Distress Sprayer, cover the feather and then splatter the shimmer mist with a paintbrush over the sponged area. Dab up with a tissue to create the distressed background look. (I show you how in the video).
6. When the art piece is dry attach it to the mat with Scor Tape, add the two pieces down the left side.
7. Add the Tonic Silver Silk design paper to the card base.
8. Attach the art piece with Foam Tape to add dimension to the card.
9. White Heat emboss the sentiment on a black cardstock scrap left over from cutting out the card.
10. Use Foam Tape to attach the sentiment in the bottom left corner.
11. Embellish with Pretty Pink Posh Sugar Plum Mix, or Nuvo Crystal Drops.
12. Clean the stamps with the Shammy.
