CARD STOCK AND DESIGNER PAPER:

Neenah Solar White 110#

Simon Says Stamp Black card stock

Neenah Solar White 80#

5-1/2 x 8-1/2 – score and fold at 4-1/2 – card base.

3-7/8 x 5-1/8 – mat behind card front

1 x 2 – scrap for sentiment (3)

4 x 5-1/4 – card front /art piece

DIRECTIONS:

1. Use the blending tool to blend the three ink colours across the front of the card front and then heat set the ink until it's dry.
2. Rub the entire surface with the anti-static pouch.
3. With the Sketchy Lines stamp facing up – cover it with VersaMark Ink and then lay the card front (ink side down) onto it, using one hand to secure and the other to gently rub to transfer the ink without moving the paper.
4. Cover with White Embossing Powder, shake off the excess and heat set.

5. Secure the die onto the bottom front of the art piece and run it through the die cutting machine.
6. Carefully remove it and push out the letters with the tweezers.
7. Use the glue to attach the card front to the black mat.
8. Use the tweezers to hold the letters; add a small amount of glue and move it around with the tip of the applicator, add the letters to the center of the die cut – to fill in the word.
TIP – clean the top of the glue applicator before putting the lid back on.
9. Attach the card front to the card base.
10. Heat emboss three sentiments onto the remaining small scraps of black, cut small pieces of foam tape to the back and attach in the top left corner of the card.
TIP – watch my video for an easy way to create these black strip sentiments from one larger piece of card stock.
11. Embellish with a few jewels
12. Clean Stamps with the Lawn Fawn Stamp Shabby

Happy Stamping
