**CARD STOCK AND DESIGNER PAPER:**

Neenah Solar White #110

4-1/4 x 11, score and fold at 5-1/2 – card base

4-1/2 x 5-1/2 – die cut frame

Neenah Solar White #80

4 x 5-1/4 – card front

Ranger Watercolor Paper  
leaves

4-1/4 x 5-1/2 – emboss, paint and die cut flowers and leaves

**DIRECTIONS:**

1. Score and fold the card base and set aside.

**TIP** – I do both of these steps on my Score Pal Mini, as it keeps the card stock perfectly square for me.

2. Stamp the images in VersaMark Ink onto the watercolor paper. Cover with Black Embossing Powder, shake off excess and heat set.

3. Die cut the images out with the coordinating dies.
4. Use the Rectangle Wafer Dies to die cut the frame.
5. Use the frame and place over the card front so you can make a light pencil mark of the inside two corners.
6. Use the blending tool to add the Wilted Violet ink to the bottom portion of the card front.
7. Stamp the sentiment on the left side in black ink.
8. Use the Tombo Xtreme tape runner to attach the card front to the card base.
9. Cut strips of Foam tape for the back of the frame and then attach that to the card front.
10. Cut small pieces of Foam Tape to attach to the back of the flowers, leaves, stem, and then add them to the card.
11. Clean Stamps with the Lawn Fawn Stamp Shabby
