Simon Says Stamp Black	4-3/4 x 6-3/4 – mat
Canson w/c Paper	4-5/8 x 6-5/8 – art piece/card front
White cardstock	5 x 7 – to die cut a circle to use as a mask.

There is a video for this card here: <https://youtu.be/JngsucUiB3g>

DIRECTIONS:

1. Place the watercolor paper inside a spray booth.
2. Place the die cut circle where you want the moon to be and spray the rest of the card with the Oxide Sprays.

3. Let Dry
4. Place the other mask over the entire art piece so just the moon is exposed and use the mini blending tools to add Mustard Seed oxide ink to the moon.
5. Place the art piece inside the Misti and stamp the Oracle, then the crown,
6. Use a torn piece of copy paper to create a mask and sponge the ground in Soot Black
7. Place the art piece back into the Misti and stamp the trees
8. Place the card front into a splat box. Mix the shimmer powder with water and while protecting the Oracle, splatter both colors all over the art piece.
9. After the piece is dry again, add some gesso to the moon to give the illusion of craters, mix some of the yellow shimmer powder in with it, but don't blend it completely.
10. Stamp the Quirky Mushrooms in the bottom foreground of the piece.
11. Use the White Gel Pen to add highlights on the left side of each mushroom.
12. Use the Uni Posca Paint Markers and the white gel pen to add dots around the moon, on the ground etc.
13. Use the White Gel Pen to add some highlights to her wings
14. Use the Tombo Xtreme adhesive on the back of the art piece to attach it to the black mat and then to the card base.
15. Clean stamps with the shammy.
