7 x 10 – score and fold at 5 - card base
4-1/2 x 6-1/2 – (2) mat for inside and outside of card
1-1/2 x 4 - sentiment
4-1/4 x 6-1/4 – (2) card front, and card inside
5 x 5 – flowers and leaves

DIRECTIONS:

- 1 – Stamp the floral image in black ink twice on the white card front and once on the inside white piece
- 2 – Stamp the smaller sentiment on the card front in black ink.
- 3 – Place the watercolor paper into the Misti securing it in the bottom left corner with magnets.

4 – Clean the stamps well and place them on the watercolor paper. Close the Misti to attach the stamps to the clear side, ink with black ink and stamp.

5 – Tap some of the distress oxide inks onto an acrylic handle and use water and a paint brush to pick up the ink and paint the images.

NOTE – leave the watercolor paper in the Misti.

Watch the video for colouring instructions.

6 – When the watercolor image is dry, reink the stamps in black ink and stamp over the image again.

NOTE – Distress Oxide inks are opaque, so when you watercolor, you dull the stamp lines. Stamping over it again, will refresh and crisp these lines for you.

7 – Use the coordinating dies to cut out the flower and leaf stem.

8 – Place small pieces of foam tape on the back of both pieces.

9 – Adhere the card front to the mat and then to the card base. Repeat with the inside pieces.

10 – Attach the leaf and stem to the card front and then attach the flower.

11 – Die cut the “hello” sentiment in black and use the Gina K Connect glue to attach to the card front.

12 – White heat emboss a smaller sentiment on a scrap of black card stock, trim and attach on the inside of the card.

13 – Clean stamps with the Absorber cloth
