5-1/2 x 8-1/2 score and fold at 4-1/4 - card base

2-1/2 x 3 – die cut anchor

4-1/4 x 5-1/2 – piece to cut into strips for background

4 x 5-1/4 – mat

3-3/4 x 5 – card front

2-1/2 x 3 (2) – die cut anchor and sentiment

## DIRECTIONS:

1 – Cut the blue card stock into strips and glue them to the card front to create the background.

2 – Die cut the anchors and the sentiment.

3 – For the sentiment: Gently remove the letters and place the tag itself on the card front without gluing it down.

- 4 – Pick up the letters with tweezers, adding a bit of white glue to the back and attach them through the tag onto the card front. Using this method will keep them perfectly spaced.
- 5 – Once all the letters are in place, gently remove the tag.
- 6 – Attach the card front to the mat and then to the card base.
- 7 – Place foam tape on the back of the anchors.
- 8 – Run a piece of white baker's twine through the top of the red anchor, wrap it around the anchor and trim before attaching it to the card.
- 9 – attach the blue anchor to the card front.
