DIRECTIONS:

1. Use the Misti stamping tool to stamp the turnabout in Gina K Turquoise ink for step one turn and stamp in VersaMark ink for step two.
2. Gold heat emboss the dots at step two and stop there for a great random dot background.
3. Use the individual stamps and the turquoise ink to stamp the “wallpaper” for the right side of the card front.
4. Mark the turquoise card front where you want the angle cut, cut the piece and then attach the right side to the turnabout white card front piece.
5. Attach this to the mat piece and then to the card base.

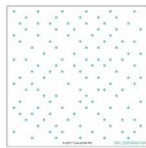

6. Stamp, color and cut out the flowers and banner.
7. Use Foam tape to attach the flowers and banner to the card along the angled cut.
8. Clean stamps with the shammy.

Happy Stamping
