**CARD STOCK AND DESIGNER PAPER:**

Neenah Solar White 110# card stock

Simon Says Stamp black card stock

4-1/4 x 11, score and fold at 5-1/2 – card base

3-1/2 x 4-1/4 – bottom card front

1/2 x 2 – sentiment

Neenah Solar White 80# card stock

4-1/4 x 5-1/2 (2) – die cut sentiment, stamp, color and cut out flowers.

**DIRECTIONS:**

1. Score and fold the card base and then place it into the Misti.
2. Use the Black Ink to stamp the image at the top center of the card front.
3. Take out the card base and put in the 4-1/4 x 5-1/2 piece of Neenah Solar White and stamp the flower image again.

4. Use the Copic Markers to color both the images and then fussy cut out the one on the small piece of white.
5. Use the Tombow Xtreme Tape runner to attach the black card stock to the bottom front of the card base.  
NOTE – you may need to trim this piece slightly, depending on where you stamped your image on the card front.
6. Use the Gina K Designs Connect glue to attach the cut-out flower image, on the black card stock, directly under the one you colored on the card base.
7. Heat emboss the “a warm” words into the small piece of black card stock and trim to fit. Use Foam tape to attach it across the join on the large center flower image.
8. Use the Gemini Jr. Machine, the Hello word die and the remaining small piece of white card stock to cut out the word “hello”.
9. Use the Gina K Designs Connect Glue to attach the Hello to the bottom center of the card front.

### Happy Stamping
