3-1/2 x 4-3/4 – card front

2 x 2-1/2 – piece behind hex die cut out for shaker

Neenah Solar White #80

3 x 4 – stamp and cut out bees

DIRECTIONS:

1. Use the Misti to stamp the images onto the 80# Neenah Solar White card.
2. Color with the Copics and fussy cut them out.
3. Use the White Gel Pen to add highlights down the right side of the bees.
4. Stamp the sentiment in Versamark ink onto the small piece of black, cover with white embossing powder, shake off the excess and heat set.
5. Use the Gemini Jr. die cutting machine to cut the small hex die out of the card front in the bottom right corner and then from the piece of Sunshine card stock.
6. Use the craft tacky glue to inlay the Sunshine hex die piece back into the card front.
7. Stamp the Flying Swooshy stamp across the card front.
8. Add some sequins inside the cello bag and cut it down until it fits behind the hex window created in the card front. Use Scotch tape to seal it closed and glue dots to attach it from behind, so it shows through the window.
9. Use the Life Changing brush and the sunshine yellow ink to blend the white piece that will show behind the cello bag. Secure it to the black mat where it will be seen from the shaker window on the card front.
10. Use Foam tape to attach the card front to the mat.
TIP – this is very important, as it will allow the sequins room to shake.
11. Use the Tombow Xtreme tape runner to attach the card front to the card base.
12. Use Foam tape to attach the bees and the sentiment to the card front.
13. Sprinkle a few sequins around the card front and use the craft tacky glue to secure them.
14. Use the Tonic Glitter Pen to add highlights to the large sentiment letters and the wings of the bees
15. Clean stamps with the shammy.
