Neenah Solar White 80#

DecoFoil Flock black and white card stock

Doodlebug 6 x 6 paper

4-1/4 x 11, score and fold at 5-1/2 – card base

3-1/4 x 4-1/4 – to create the Polaroid die cut piece

4 x 5-1/4 – mat

2-1/4 x 3-1/2 (2) – die cut sentiment twice, and cut apart

2 x 2-1/2 of each color to piece the panda together

3-7/8 x 5-1/8 – blue piece for card front

3-1/8 square – behind panda in the polaroid piece

DIRECTIONS:

1. Attach a 2 x 2-1/2 piece of the Adhesive sheet to the back of the flock papers (one black and one white) and die cut both pieces one in black and one in white to create the panda.
2. Working on a scrap of cardstock for the backing, attach the pieces of the panda.
3. Use the third from largest of the Stitched Square dies on the 3-1/4 x 4-1/4 piece of Doll Pink card stock to create the polaroid card front piece.

Lined up like this.

Use the Purple take to secure the die as you run it through the die cutting machine.

4. Cut a piece of the Dotted designer paper 3-1/8 square and use the craft tacky glue to attach it to the back of the window in the polaroid die cut.
5. Use small pieces of foam tape to attach the panda.
6. Die cut the "happy birthday" die twice so you can cut part the words.
7. Use the craft tacky glue to attach "happy" to the top of the polaroid piece and "birthday" to the bottom.
8. Place foam tape on the back of this piece.
9. Use the Tombow Xtreme tape runner to attach the blue designer paper to the white mat and then to the doll pink card base.
10. Remove the protective covering from the foam tape on the back of the polaroid piece and attach it to the card front.
11. Embellish with a slight sprinkling of the Caribbean Sunset Sequins.

Happy Stamping
