CARD STOCK AND DESIGNER PAPER:

Neenah Solar White 80#

Canson watercolor paper 140#

4-1/4 x 11, score and fold at 5-1/2 – card base

4-1/4 x 5-1/2 – background for card front.

4-1/4 x 5-1/2 – stamp color and die cut birds and flowers

4-1/2 x 6 – die cut Jungle frame

DIRECTIONS:

1. Place a small amount of the liquid watercolor into the pallet squares in the Waffle Flower Water Media Mat.
2. Use the Pipette to add a few drops of water.
3. Using a clean paint brush for each color, move some of the watercolor to the media mat with the brush, and then SMOOSH to Jungle frame into the ink.
4. Repeat with all 4 colors until you have a nicely colored piece.
TIP – you may need to use a paint brush in a few spots to cover any bits of white.
5. Set aside to dry.
6. Use the Hero Arts Mini Ink Blenders to add all three Distress Ink Colors to the Neenah Solar White background piece.
7. DRY both card front pieces with the heat tool.
8. Use the Misti to stamp the birds and flowers onto the remaining piece of Neenah White card stock with the Gina K Amalgam Ink.
9. Color with the copic markers.
10. Use the coordinating die cuts to cut out the birds, fussy cut the flowers right to the black line.
11. Use a Tombow Black Marker to cover the edges of the flowers.
12. Place the Distress Oxide card front piece into the Misti, with the Jungle Frame piece on top – without gluing.
13. Place the birds in place, again without gluing.
14. Lay the sentiment die in between the birds, center on the card base.
15. Close the Misti to secure the stamp to the arm.
16. Ink the stamp in VersaMark Ink.
17. Remove the birds and the Jungle frame piece, rub the Distress Oxide piece with the Anti-static pouch and then stamp the sentiment.
18. Take the piece out of the Misti and cover it with black embossing powder. Shake off the excess and heat set.
19. Use the Tombow Multi-purpose Glue to attach the Distress Oxide card front to the card base.
TIP – using a liquid glue for these two steps gives you a bit of wiggle room to get the cardstock placed perfectly before the glue sets.
20. Add the Jungle Frame piece on the same manner.
21. Cut small pieces of the foam tape for the back of the birds and flowers.
22. Remove the protective backing and attach them to the card front
23. Use the Nuvo Crystal Drops – Apple Green for the center of the flowers and Pink Orchid around the Jungle portion of the card.
24. Clean the stamp with the shammy

Happy Stamping
