1. Use the Misti to stamp the sentiment onto the watercolor paper with embossing ink, cover with black embossing powder, shake off the excess and heat set.
2. Color with the Nuvo Aqua Pens and let dry.
3. Fussy cut out the image and set aside.
4. Attach the other piece of watercolor paper to the glass media mat and spritz with water.
5. Lightly flick the two colors of Shimmer Powder onto the paper and spritz and blend until you get a background you like.
6. Once the background is dry, cut it down to 4 x 5-1/4 and attach it to the white card base.
7. Use the rectangle dies to cut out the black frame and attach to the card front with foam tape.
8. Then attach the art piece with foam tape.
9. White heat emboss the sentiment onto a small scrap of black, trip and attach with foam tape.
10. Clean the stamp with the shammy
