2. Die cut 5 sets of green and 5 sets of the blue foliage.
3. Starting with the blue foliage, glue the pieces down in a circle on the card base.
4. Overlap with the green, offsetting so you can see the blue.
5. Die cut the sentiment three times and stack them together using the white glue.
6. Attach to the center of the wreath.
7. Punch a bunch of red circles with the hand punch and glue around the wreath for berries.

8. Cut a strip of blue ¼ inch wide and two green about 1/8 inch wide and glue to the top and bottom of the card front.
