4-1/4 x 11, score and fold at 5-1/2 – card base
2-1/4 x 1-3/4 – sentiment

DIRECTIONS:

1. Score and fold the card base and then gold heat emboss the Reindeer Background stamp across the front.
2. Stamp and gold heat emboss the sentiment onto the white cardstock.
3. Add foam tape to the back of the sentiment and attach it to the top center of the card.
4. Wrap the gold twine around the card and tie a bow.
TIP – after tying the bow, I tucked a folded glue dot under the knot so it would not slip.
5. Clean stamps with the Shabby.

Happy Stamping

TIPS for Mass producing:

Emboss all the card fronts at once, then all the sentiments. Then work in a production line putting the cards together.
