2-1/2 x 4-1/2 – die cut snowbank

Neenah Solar White 80#

5-1/2 x 8-1/2 – stamp, color and cut out trees and deer

DIRECTIONS:

1. Place the Neenah Solar White cardstock into the Misti and stamp the trees and deer with the Memento Tuxedo Black ink.
2. Remove the cardstock from the Misti and color the images with the Copics.
3. Use the Tim Holtz scissors to cut out all 4 pieces

4. Use a black marker around the edges of the deer to eliminate the white edge. Don't worry about the trees as they are half white anyway.
5. Die cut the snowbank.
6. Use the Life Changing Brushes and the Distress Oxide Ink in Gathered twigs and sponge the card front.
7. Dilute a small amount of white paint and use the brush to flick it onto the card front.
8. When the card front is dry, place it back into the Misti and stamp a sentiment with the black ink in the top right corner.
9. Glue down the skinny tree and then attach the snowbank over it.
TIP – this gives the appearance if it being in the background.
10. Glue the other two trees into place, making sure the gap between them is uneven.
11. Use folded glue dots on the back of the deer to attach him to the card front.
12. Clean stamps with the Shabby.

Happy Stamping
