Neenah Solar white

5 x 10 score and fold at 5 – card base

4-1/8 x 4-1/8 – mat for art piece

4 x 4 – card front

2-1/2 x 3 – stamp color and die cut owl

DIRECTIONS:

1. Protect your work surface with a craft mat and have lots of paper towel on hand. A spray booth is also a good idea.
2. Stamp the watercolor paper up against something so that once you spray, the ink will run.
3. Shake the bottles side to side to get the pigment off the bottom of the bottle.
TIP: Shaking up and down may clog the sprayer.
4. Add layers of color using the heat tool to dry between layers. Watch the video, I started with brown, then added the yellows. Once dry, I put a blue streak down the left side as I wanted that behind my owl.
5. Heat dry the piece or leave it overnight to dry.
6. Stamp the sentiment and snowflakes in VersaMark and emboss them with the white embossing powder.
7. Attach to the mat and then to the card base.
8. Stamp the owl onto the Neenah card stock (or other copic friendly c/s)
9. Color the image with the Copics
10. Use the dies to cut out the image.
11. Attach the owl with foam tape to the left side of the card.
12. Use a Copic Multi Liner #03 to draw a little ground under him.
13. Clean the stamp with the shammy

Happy Stamping
