Ranger Distress watercolor card stock

2 x 4-1/2 – die cut eucalyptus leaves (1 set)

White cardstock

3/4 x 2 – sentiment

DIRECTIONS:

1. Protect your work surface with a craft sheet. Lay the 4 x 5-1/4 card front down and secure the stencil over it with Pixie Spray

TIP – PIXIE SPRAY, is a removable adhesive spray that will hold a stencil in place for you while you apply mouse etc.

2. Remove the stencil and set the piece aside to dry. Wash the stencil immediately to remove any product before it dries.
3. Die cut the leaves. Sponge the brown ones slightly at the base of each leaf.
4. Use the watercolors to color the other set of leaves and let them dry.
5. Stamp the sentiment in brown ink onto the small scrap of white cardstock.
6. Once the mouse is dry, use foam tape to attach it to the card front.
7. Use small pieces of foam tape to attach the brown leaves and then the water colored leaves.
8. Mix a small amount of Winsor & Newton Gouache with water and use a paint brush to splatter the card front.
9. Add a few of the copper sequins from the Sunken Treasure Sequins with the Tombow Multipurpose glue.
10. Make a double bow with the copper thread and attach it to the leaves with the Tombow Multi-purpose glue.
11. Clean the stamp with the shammy
