Tim Holtz Guillotine Paper Cutter  
Score Pal Mini  
Silicone Bone Folder

Misti Stamp positioning tool

Lawn Fawn Stamp cleaning Shammy

Lawn Fawn Shammy Case

**CARD STOCK AND DESIGNER PAPER:**

Neenah Solar White #110

5-1/2 x 8-1/2, score and fold at 4-1/4 – card base

4 x 5-1/4 – card front

**DIRECTIONS:**

1. Temporarily attach the card front to your work surface and place the stencil over it securing it with post it note tape.
2. Use the Life Changing brushes to add the Bamboo ink around the entire wreath.
3. Pick up the stencil and turn it a quarter turn, ensuring you have as much white exposed as possible and you are not overlapping all the Bamboo colored leaves.
4. Add the Hunter Green ink all the way around the wreath.
5. Take a small thin brush and add just a bit of Evergreen ink to the base of the hunter green leaves to add a bit of depth to the image.
6. Use a small round brush to add the berries in Razzleberry ink.

7. Remove the stencil, add some ink to the top of an acrylic block, spritz it with water and use the paint brush to flick the ink over the front of the art piece.
8. When the piece is dry, place it into the Misti stamping tool and stamp a sentiment into the center with the black ink.
9. Use Foam Tape to attach it to the card base.
10. Clean stamps with the Shabby.

## Happy Stamping

Here are the supplies used. Where available I use Compensated Affiliate Links, which means if you make a purchase through my link, I receive a small commission at no extra cost to you. Thank you so very much for your support, I truly appreciate it.
