DIRECTIONS:

1. Heat up the Spellbinders Glimmer Foil Machine.
2. Place the Ornament plate face up on the hot plate.
3. Cut a piece of gold foil the size of the ornament and place it “good side down” on top of the ornament
4. Place the 4 x 4-1/2 piece of white cardstock on top

5. Cover with the top plate and push the heat button.
6. Once the plate is heated, undock and run it through the Spellbinders Platinum Die cutting machine (going back and forth a couple of times SLOWLY will help transfer the foil).
7. Gently remove the top plate and peel back the foil to reveal the foiled/embossed image.
8. Repeat the foiling steps for the sentiment.
9. Die cut the sentiment with the oval die.
10. Die cut all the flowers and leaves for the top.
11. Cut out the ornament.
12. Mix the Gouache with water and use a paint brush to splatter the Peacock card front.
13. When the paint is dry, attach the card front to the card base with the tape runner.
14. Attach the ornament with foam tape and then the sentiment in the center also with foam tape.
15. Layer the flower and attach with a small piece of foam tape.
16. Add in the leaves attaching them with the multi-purpose glue and bending the leaves upwards slightly to add dimension.
17. Embellish with a sprinkling of Sequins.
18. I used a gold pearl in the center of my flower. (from my stash)
19. Create a bow with gold rope and attach to the top of the ornament. (from my stash)
- 20.
