## DIRECTIONS:

1. Use the black ink to stamp the floral background image onto the card front.
2. Color with the copic markers using the flicking technique – [I share a video on that technique here.](#)
3. For the background, layer the gray Copics, using the darker colors around the images to create slight shadows.
4. Dilute a small amount of Gouache paint and use the paint brush to splatter it across the card surface.
5. Use the Score Tape to attach the card front to the card base.
6. Die cut the two sentiment pieces.
7. Use the white glue to attach the white word sentiment to the black shadow sentiment.
8. Use the foam tape to attach the sentiment to the center of the card front.

9. Clean the stamp with the shammy
