4-1/4 x 11, score and fold at 5-1/2 – card base

4 x 5-1/4 – Card front/art piece for both cards.

2 x 4 scrap – to ink blend and die cut hearts out of

DIRECTIONS: There is a video for both cards here: <https://youtu.be/g0KiNCioz8s>

1. Use the blending tools to add the three inks to the card front.
2. Use the heat tool to dry the ink completely.
3. Use the Misti stamping tool to stamp the image in VersaMark Ink onto the art piece. Cover with white embossing powder, shake off the excess and heat set.
TIP – you need to remove the foam pad from the Misti to use this rubber stamp in it as it has a foam backing.
4. Die cut the heart from the center top of the art piece with the Nested Hearts Dies.
5. Set the heart piece aside and attach the art piece to the card base.
6. Place the foam mat back into the Misti, then add the card securing it with the magnets.
TIP – make sure the magnets are clean and don't transfer ink to your card front.
7. Line up the sentiment stamp on the card.
8. Close the Misti to secure the sentiment stamp to the arm. Open the Misti, ink the stamp in black ink, close to stamp. Repeat to ensure a nice even stamped image.
9. Ink blend just the Seedless Preserves ink onto the remaining piece of white card stock. Dry it with the heat tool and cut out the two small hearts with the nested hearts dies.
10. Attach them to the card.
11. Cut out a sentiment from the CZ Designs Sentiment Strips, add a couple of small foam tape pieces to the back and attach under the stamped sentiment.
12. Embellish with three of the Lilac Bloom Sequins.
13. Clean the stamps with the shammy.

Happy Stamping
