CARD STOCK AND DESIGNER PAPER:

Neenah Solar White 110#

Arches Cold Pressed watercolor

Neenah Solar white 80#

4-1/4 x 11 - score and fold at 5-1/2 – card base

4 x 5-1/4 - art piece/card front

3-7/8 x 5-1/8 – to die cut the inlaid frame piece

4-1/4 x 5-1/2 – die cut thanks 3 times, and shadow once

DIRECTIONS:

1. Use the Misti stamping tool to stamp the image in VersaMark Ink onto the watercolor paper. Cover with white embossing powder, shake off the excess and heat set.
TIP – you need to remove the foam pad from the Misti to use this rubber stamp in it as it has a foam backing.
2. Use the Zig markers and the water brush to color the image.
3. Once dry, use the Purple Tape to hold the die in place and cut the inlaid piece out of the art piece with the 3rd from largest of the A2 Thin Frames Dies.
4. Use the same die to cut the new white inlaid piece.
5. Use the ¼” scor tape to attach the outside frame of the art piece to the card base.
6. Put a thin line of the Tombow multi-purpose glue around the inside, as close to the frame as you can and lay in the white inlaid piece.
7. Add more white glue to the back of the center art piece and pop that into the hole.
8. Use a tissue to gently push down to make sure everything is flat and wipe up any glue that may ooze out.
9. Die cut the word thanks 3 times and the shadow once.
10. Layer all the words with the white glue, attach to the shadow and then to the card front.
11. Pick a smaller black sentiment from the CZ Designs Reverse Love sentiments and attach that using foam tape.
12. Clean the stamps with the shammy.

Happy Stamping
