DIRECTIONS: There is a video for both cards here: <https://youtu.be/BsXwjU7Z5PU>

1. Use the blending tools to add the three inks to the card front in a circular path around the card instead of from top to bottom.
2. Use the heat tool to dry the ink completely.
3. Stamp the Snowflakes with the two step stamps and heat emboss in gold.
4. Mix a small amount of gold paint and “splatter” the card front.
5. Mix a small amount of white paint and “splatter” the card front and then let it dry complete.
6. Use the tape runner to attach the card front to the white card base.
7. Die cut the snowflake in gold and use a small amount of foam tape to mount it over the embossed snowflake in the bottom right corner.
8. Heat emboss the sentiment onto the remaining small piece of the blue card stock.
9. Trim and use Foam tape to attach to the center of the card.
10. Embellish with the Raindrops Sequins.
11. Clean the stamps with the shammy.

Happy Stamping
