DIRECTIONS:

1. Use the Misti stamping tool to stamp the image in black onto the piece of Neenah Solar White card stock. Cut out and set aside.
2. Use the hot foil machine to gold foil the vellum and the sentiment. Trim the Sentiment down as tight as you can.
3. Die cut the frame and then use the white glue to attach the foiled vellum to the back of it, trimming to fit.
4. Once that last step is dry, use more white glue to attach the piece to the card base.
5. Use small foam squares to attach the sentiment to the right side of the card front.
6. Use small foam squares to attach the floral image to the left of the sentiment.
7. Clean the stamps with the shammy.

Happy Stamping
