7 x 10, score and fold at 5 – card base

4-1/2 x 6-1/2 – card front

Canson Watercolor Paper

5 x 7 – stamp and watercolor flowers

Gina K Black card stock

1-1/4 x 3-1/4 - sentiment

DIRECTIONS:

1. Use the Misti stamping tool to stamp the images in black onto the watercolor paper – **NOTE** – leave the stamps in the Misti.
2. Color the images using the watercolor pencils, a brush and water
3. When the paint is dry place the images back into the Misti and stamp with black ink again to brighten up the lines and details.
4. Place the stencil over the card front and hold in place with Post It Note Tape.
5. Use the palette knife to add the paste starting from the left – don't fill in the entire space, **TIP** - leave some blank – **ESPECIALLY** near the bottom right where you will be stamping the smaller sentiment
6. Die cut out the images and use the connect glue to attach the stems to the card front.
7. Use Foam tape to attach the flowers (the one on the left will hang off)
8. And finally, cut the leaves apart and attach them with foam square, but use the white glue to glue them down where they touch the stem.
9. When the glue is dry, trim off any overhang.
10. Place the card front into the Misti and stamp the small sentiment in the bottom right corner.
11. Use the VersaMark Ink to stamp the larger sentiment onto the piece of black card stock. Cover it with the white embossing powder, shake off the excess and heat set.
12. Use Foam tape to attach the card front to the white card base.
13. Clean stamps with the shammy.

Happy Stamping
