4-1/4 x 11, score and fold at 5-1/2 – card base
3/4 x 5 – card front
1-1/2 x 2-1/2 – sentiment

DIRECTIONS:

1. Place the card front into the MISTI on the right side and lay down the silhouette stamps.

TIP – they will hang off the left side of the card.

2. Stamp the image twice with VersaMark Ink, cover with black embossing powder, shake off the excess and heat set.
3. Use the Blending tools to add the Distress Oxide Inks
TIP – I do two layers of each color I find it helps to blend them easier.
4. You will see in the video at the end I decide to add a bit of Black Soot to the base just to anchor my design elements.
5. Use a tissue or paper towel to rub the ink off the embossed images.
6. Use foam tape to attach the card front to the card base.
7. Die Cut the sentiment from the black cardstock and use the Tombow multi-purpose adhesive to attach it to the top right of the card front.
8. Use the Nuvo Ebony Black Crystal Drops to add dot embellishments.
TIP – set the card aside so the drops can dry, takes about 20 – 25 minutes.
9. Clean the stamp with the stamp scrubber.

Happy Stamping
