Simon Says Stamp White

4-1/4 x 11 - score and fold at 5-1/2 – card base
4-1/4 x 5-1/2 – card front/art piece
2-1/2 x 4-1/2 – stamp, emboss, paint and cut out flower and leaf for overlay
4-1/4 x 5-1/2 – inlaid white frame
3 x 5 – die cut sentiment 3 times

DIRECTIONS:

1. Use the Misti stamping tool to stamp the image in VersaMark Ink onto the mint card stock. Cover with white embossing powder, shake off the excess and heat set.
TIP – you need to remove the foam pad from the Misti to use this rubber stamp in it as it has a foam backing.
2. Use the Nuvo Aqua Flow Pens to color the image. And the water brush to blend if necessary.
3. Once dry, use the Purple Tape to hold the die in place and cut the inlaid piece out of the art piece with the 3rd from largest of the A2 Thin Frames Dies.
4. Use the same die to cut the new white inlaid piece.
5. Use the ¼” scor tape to attach the outside frame of the art piece to the card base.
6. Put a thin line of the Tombow multi-purpose glue around the inside, as close to the frame as you can and lay in the white inlaid piece.
7. Add more white glue to the back of the center art piece and pop that into the hole.
8. Use a tissue to gently push down to make sure everything is flat and wipe up any glue that may ooze out.
9. Stamp and heat embossed the separate flower and leaf image, paint them and cut them out
10. Die cut the word thanks 3 times and layer.
11. Attach the flower and leaf overlay to the left side of the card front with Foam Tape.
12. Attach the white sentiments with the white glue
13. Trim one of the CZ sentiment strips and add with foam tape.
14. Add a few large sequins from the Girls Best Friend Sequin pack from Simon Says Stamp.
15. Clean the stamps with the stamp cleaning pad.

Happy Stamping
