3-3/4 x 5 – mat

3-1/2 x 4-3/4 – card front

2 x 3-1/2 – stamp, color and cut out gnome

DIRECTIONS:

1. Use the Misti Stamping Tool to stamp the gnome in the copic friendly ink.
2. Color the gnome with the markers and fussy cut him out or use the coordinating dies
3. Use the Ink blending tools to add a light layer of the Peacock Feathers Distress Oxide ink on the left side of the card front, blending out a bit over to the right.
4. Use the solid heart stamp and the “First Generation” Stamping Technique (stamping off technique if you are my generation), and randomly stamp the hearts.
5. Place the card front into the Misti and stamp the sentiment.
6. Use the tape runner to attach the card front to the mat and then to the card base.
7. Use foam tape to attach the gnome.
8. Clean the stamps with the Picket Fence stamp scrubber.

Happy Stamping
