CARD STOCK AND DESIGNER PAPER:

Moda Scrap Spring Flowers Patterned paper
12 x 12 and 6 x 6 packet
Simon Says Stamp Surf Blue
Simon Says Stamp Lavender
Simon Says Stamp Green Apple
Scrap of white
Scrap of black

cut down to 8-1/2 x 11 – box base.
2 pieces 1-1/2 x 4-1/2, scored at ¾” long ways
3 x 3-1/2 – die cut heart
3 x 3-1/2 – die cut heart
2 x 2-1/2 – stamp and die cut bunny
1 x 3 – white heat emboss sentiment then trim down

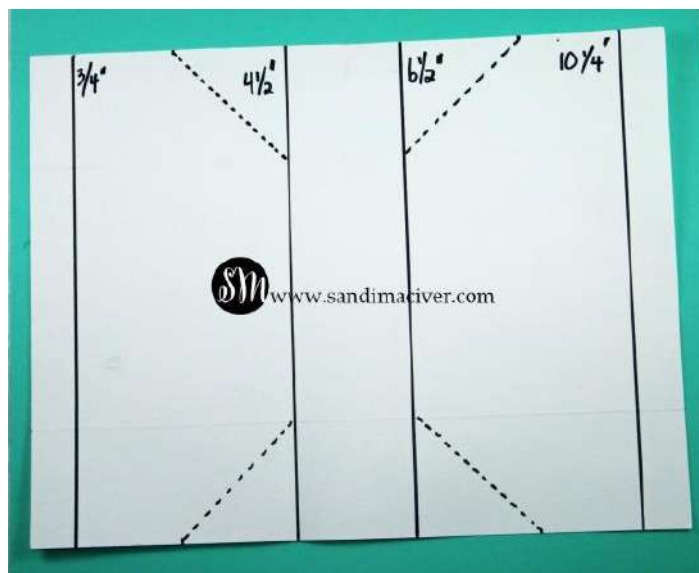

DIRECTIONS:

1. Cut the 12 x 12 patterned paper down to 8-1/2 x 11.
2. With the short side at the top, score at 2 and 6-1/2 inches.

3. Turn with the long side at the top, score at $\frac{3}{4}$, 4-1/2, 6-1/2 and 10-1/4 inches.

4. Using a ruler and pencil, mark 2-1/2" in from each corner on the back of the pattern paper.
5. Draw a line from the 2-1/2" mark you just made, down to the 2" score line on all 4 corners.
6. Use a Stylus and foam mat to score these new lines.
7. Then fold and burnish all score lines with a bone folder, making sure they are crisp and all the corners line up.
8. On the inside of the long folds, add adhesive from the score line you made manually to the end of the box on all 4 corners.

9. Remove the protective cover and fold down. (watch the video for this step, it's just hard to explain – video link is at the end of the directions).
10. You will see now how the box is forming.
11. Add adhesive to the inside ends of the two 1-1/2 x 4-1/2 pieces of cardstock and attach to the ends of the box.
12. Add my score tape to the top of those folds you created with the manual score lines.
13. Remove the protect covers and pull up one box side at a time, securing the top of the inside box, to the side of the box by pressing the two pieces together.
14. Take the 1” strip you cut off the designer paper and use that and 3 glue dots to decorate the metal portion of your bull clip.
15. Use the Bull Clip to close the box top.
16. Die cut the heart die twice, once each in lavender and green.
17. Cut the lavender flowers away from the leaves and use the white liquid glue to attach them to the green heart wreath.
18. Use the white liquid glue to attach the green heart wreath to the center front of the box.
19. Use the Misti stamping tool to stamp the bunny in the blue ink onto the white card stock.
20. Use the coordinating die to cut out the bunny and add some foam tape to the back.
21. Attach the bunnies to the center bottom portion of the heart.
22. White heat emboss the sentiment onto the scrap of black cardstock. Trim and attach under the heart with foam tape.
23. You can die cut another two hearts and use pieces of those to decorate the bull clip if you wish.
24. Use the white liquid glue to attach a pom pom to each of the bunnies as a tail
25. TIP – for the smaller bunny, I trimmed down a pom pom with my scissors, as I only had one size.
26. Clean the stamp with the stamp scrubber.

Happy Stamping
