**CARD STOCK AND DESIGNER PAPER:**

Simon Says Stamp Thick White Card stock	7 x 10 – score and fold at 5-1/2 – card base
Simon Says Stamp white cardstock	3-1/4 x 6 – art piece
Amethyst Glitter Paper (SSS)	1/2 x 6 – strip under art piece.

**DIRECTIONS:**

1. Use the Misti stamping tool to stamp the solid leaf image at the bottom of the art piece in the lighter blue ink.
2. Clean the stamp with the shammy before removing it.

3. Line up the shadow leaf stamp over the previously stamped image, close the Misti to secure the stamp to the top.
4. Open the Misti, ink the stamp in the darker blue and stamp.
5. Clean the stamp and remove.
6. Lay the solid tulip image stamp onto the art piece lining up the stems to the bottom of the tulips.
7. Close the top of the Misti to secure the stamp to the top and open the Misti.
8. Ink the stamp with the Distress Oxide Wilted Violet Ink, close the Misti Top to stamp the image.  
TIP – for this card I did not use the second shadow image for the tulip.
9. Let the art piece dry for a few minutes.
10. Transfer the purple and dark blue ink to the acrylic handles, spritz with water and use the paint brush to splatter the two colors over the art piece.
11. Set the art piece aside to dry.
12. Use a double piece of the burlap twine to wrap around the bottom of the art piece. Tie it off in a bow on the right side.
13. Use the silicone Bone Folder to score the card base at 5” in the Score Pal Mini then fold the card and burnish the fold until it’s smooth and flat.
14. Use the Tombow Permanent adhesive to attach the strip of Lavender Glitter paper across the card near the bottom.
15. Add foam tape to the back of the art piece and attach it to the card front so that the glitter paper peeks out from the bottom of the art piece.
16. Clean the stamps with the shammy.
