Simon Says Stamp Fog

4-1/4 x 11, score and fold at 5-1/2 – Card Base

4-1/4 x 5-1/2 – stamp, color and die cut floral spray

3-3/4 x 5 – card front

DIRECTIONS:

1. Use the Misti stamping tool to stamp the floral image onto the white card with the black ink.
2. Color the image with the copic markers and then die cut with the coordinating die.

3. Remove the black foam from the Misti. Lay the Diamond Tiles Background stamp into the platform rubber down and close the lid so it sticks to it. Open the Misti up again.
4. Place a small amount of adhesive on the back of the Fog card stock and lay it face down on top of the stamp, centering it.
5. Close the Misti, and press firmly, then open it again. This will result in the card stock sticking to the platform of the Misti.
6. Rub the Fog card stock with the anti-static tool.
7. Ink the stamp in Versa Mark Ink (embossing ink) and close the Misti to stamp the image.
8. Cover with the white embossing powder, shake off the excess and heat set.
9. Gently release the card stock from the Misti and heat set the embossing powder.
10. Attach the Fog card stock to the card base with the Adhesive Tape Runner.
11. Add small pieces of foam tape to the back of the floral image and attach it to the top left side of the card.
12. Die cut the word "You" three times from black card stock and then use the white glue to layer them.
13. Use small strips of foam tap on the back of the "o" and "u", and white glue on the back of the "y" to attach the sentiment to the bottom right corner of the card. (this will make it lay flat for you).
14. Use the discarded outline white card stock left from the floral image to stamp a small sentiment in black. Trim and attach to the card with foam tape.
15. Attach a few sequins using the embellishment wand and the white glue.
16. Mix a small amount of black paint and splatter it across the card front.
17. Clean the stamps with the shammy

Happy Stamping
