DIRECTIONS:

1. Use the Misti stamping tool to stamp the floral image on the white card with the black ink.
2. Color the image with the copic markers and then die cut with the coordinating die.
3. Place the card front into the Misti platform and use the die cut art piece to help determine the position of the sentiment stamp. Stamp the sentiment in black ink.
4. Attach the card front to the top folding white card base using the Tombow Tape Runner.
5. Trim the piece of clear acrylic to create the window for your shaker card and attach it to the back of the art piece with the Tombow Multi – purpose white glue.

6. Once the glue is dry, add foam tape around the edge of the inside die cut.
7. Pile a selection of sequins, rhinestones, jewels etc. in the center of the card front over the sentiment.
8. Attach the art piece to the center of the card front. Let dry.
9. Clean the stamps with the shammy
