## DIRECTIONS:

1. Use the Misti stamping tool to stamp the floral images on the watercolor paper.
2. Fussy cut the images to remove any white borders
3. Cut down the box lid to 4 x 5-1/4, peel off some of the top layer to expose the corrugated interior.
4. Paint white. When dry, spray with the Distress Oxide sprays.
5. Splatter with yellow and white paint.
6. When this piece is completely dry, attach it to the card front with Scor Tape.  
TIP – Scor Tape is extra strong and will hold this lumpy piece to your card front.
7. Die cut the Hexagon clusters and then spray them with the Dylusions Ink Sprays.
8. Let dry before attaching to the card front with the white glue
9. Stamp the bees on the Hammermill paper and color with Copics before cutting out.
10. White Heat emboss the sentiment on a scrap of black card stock.
11. Attach all the art pieces with Foam tape.
12. Add a bit of Yellow Stickles to the flower centers.
13. Clean the stamps with the shammy
