3-1/2 x 4-3/4 – card front

4-1/4 x 5-1/2

**DIRECTIONS:**

1. Print the image and color with Zig Clean Color real brush watercolor pens.
2. For the Flowers.  
the back flower is done with the pink and purple

The front flower is done the same with the addition of Violet in the shadows.

Both have a touch of yellow added to them

Leaves are a blend of emerald green and turquoise green with Persian green added for shadow

The coffee mug is done with the blue gray, the top in blue gray with shadows of black at the ends

The Java Jacket is done with the beige with a bit of yellow highlighting the sentiment.

I used a water brush to blend the colors.

3. When the image is dry, cut it out and color the edge of the cut with a black marker to hide the white edge.
4. Use the tape runner to attach the wood grain patterned paper to the card base.
5. Use Foam tape to attach the art piece to the bottom left corner of the card front.
