6. Stamp and Heat emboss the sentiment.

7. Use the pipette to add a few drops of water to the watercolor paint, mix with a brush until it's soft and creamy.
8. Use a fine brush and starting on the flowers, one petal at a time, add the white paint and then add a small amount of the gold while the petal is still wet so it blends.
9. Continue until all the petals are done.
10. Paint the leaves and stems with the Gem Green.
11. Add a small amount of gold splatter – set aside to dry
12. Once dry, use the scor tape to attach the art piece to the mat (score tape is very strong and necessary for this thick watercolor paper)
