DIRECTIONS:

1. Place your water media mat down on your working surface and have lots of paper towel handy, a paint brush and a mist sprayer
2. Precut your watercolor paper to 4 x 5-1/4
3. Starting with Abandoned Coral Ink, twist the ink pad onto the surface of the water media mat.
4. Give the ink a couple of squirts with the mist bottle
5. Lay your watercolor paper into the ink, lift the paper and use the heat tool to dry it.
6. Repeat as necessary to get the color you want in the spots you want.
7. Use a paper towel to wipe up the ink
8. Change to the next color and repeat
9. Continue with each color until you are happy with your card front
10. Lay it aside to dry while you work on more.
11. Once the ink is completely dry, place the card front into the Misti, removing the black pad first to make room for the background stamp.
12. Use removable tape on the back of your art piece to secure it to the Misti base.
13. Place the background stamp over your art piece and close the Misti Lid to secure it to the lid.
14. Using VersaMark embossing Ink, stamp the image.
TIP – as watercolor paper is lumpy, stamp the image a couple of times to ensure full coverage
15. Cover with silver embossing powder, shake off the excess and heat set.
16. Switch out the stamp to the floral image.
17. Place the black pad back into the Misti and lay down your piece of vellum securing it with the magnets
18. Rub it with the anti-static pouch before stamping the image in VersaMark Ink
19. Again, cover with the silver embossing powder, shake off the excess and heat set.
20. Switch out the stamp for the hello sentiment.
21. Stamp the sentiment onto the strip of black cardstock and use white embossing powder this time.
22. Trim the sentiment.
23. Die cut the floral image with the coordinating die.
24. Die cut the word “lovely from the black card stock
25. Use the score tape to attach the art piece to your card base.
26. Use the white glue to attach the vellum piece to the card front.
TIP – Place the glue where you know the sentiments will cover, as it will show through the vellum
27. Clean the stamps with the shammy

I have created a video for these cards and the technique which you can view here:
