CARD STOCK AND DESIGNER PAPER:

Neenah Solar White #110
Simon Says Stamp Sea Glass

Hammermill 100# pure white

Simon Says Black

4-1/4 x 11, score and fold at 5-1/2 – Card Base

4-1/4 x 5-1/2 – card front

3 x 3 – Die cut heart

4 X 5-1/4 – card front/art piece

2 x 2-1/2 - sentiment

2 x 2-1/2 – sentiment shadow

DIRECTIONS:

1. Lay the stencil over the card front and secure with post it note tape.
2. Use the blending brushes to add the three distress oxide inks to the piece.
3. Wash and dry the stencil.
4. Use the Heat tool to dry the ink.
5. Lay the stencil over the piece again, lining up the ink. Secure with the tape again.
6. Use the Palette knife to blend an even layer of the Gina K Designs Glitz Glitter gel across the piece.
TIP – start from the top and work down. The moisture in the gel will activate the ink under it, so you may pick up some of the color.
7. Set aside to dry.
8. Die cut the heart and the two pieces of the sentiment.
9. Cut the sheet of sentiments apart and pick your secondary sentiment strip.
10. Use the tape runner to attach the blue card stock to the card base.
11. Use the tape runner to attach your dry art piece to the card front.
12. Use Foam squares to attach the blue heart to the top right side of the card
13. Use the white glue to attach the white sentiment to the black shadow and then to the heart.
14. Use the white glue to attach the sentiment strip.
15. Use the white glue and the Studio Katia embellishment wand and tray to add a few sequins.

I have created a video for these cards and the technique which you can view here:
