DIRECTIONS:

1. Using the Misti stamping platform, and the instructions provided in the Layering guide from Altenew, stamp the images on both the card fronts. One in just black, the other in color.
2. Watch the video for an easy way to accomplish this here: https://youtu.be/Q1_8foNiYqI

3. Use the Tombow Adhesive to attach the black and white art piece to the card base.
4. Use the third from largest die in the Stitched Rectangle Wafer Die set to die cut the colored image.
5. Once die cut, attach it to the black mat and then use foam squares to attach it to the card base ensuring the outlined image is lined up.
6. Heat emboss the sentiment onto the remaining piece of black and trim.
7. Attach to the card front using a foam square on the right and glue dots on the left to ensure it lays flat.
8. Embellish with Simon Says Stamp Flowering Clover Sequins.
9. Clean the stamps with the shammy
