Vicki Boutin Mixed Media Paper	3 x 8 – card front

Digital image printed onto Canson 80# watercolor paper	

DIRECTIONS:

1. Print the images into the watercolor paper
2. Watercolor the images with the Altenew artist watercolors in “shades of Purple” and Deep Blue Seas
3. When the images are dry, fussy cut them out and then use a black Tombow Marker to darken the edges to hide the white cuts.

4. Cut and layer the gold foil and card front patterned paper, offsetting it so the gold shows at the top and down the left side and use the tape runner to attach to the card base.
5. Use foam squares to attach the art pieces
6. White heat emboss the sentiment onto the piece of black and use the tape runner to attach to the bottom front of the card.
7. Mix the gold paint to quite runny and use the watercolor brush to splatter it across the card.
